

## 22 Per Cent More Students Enrolled

### At BGH You Must Register Sept. 7 To Assure College Classes

The number of people turning out for registration Friday night will determine if Belle Glade will have a College program here this year. Pelton Morris said Wednesday.

How many courses can be offered will also be determined by the turnout and popular demand.

Dr. Paul W. Graham, Director of the Evening Division of Palm Beach Junior College, announced that representatives of the college will be at Belle Glade High School at 7:00 p. m. September 7, to organize classes to be taught here.

Earlier this year insufficient interest made it impossible to schedule any particular courses at that time. It is most important that interested persons be at the high school for registration this Friday evening if any Palm Beach Junior College class is to be offered in Belle Glade this semester.

### Lions And Guests Hear Int' Nat'l Vice President

Over 150 members of Lions Clubs of Pahokee, Clewiston, Belle Glade, South Bay, Clewiston and Okeechobee joined together Tuesday evening at the Canal Point Community center to honor Dr. Walter Campbell, third vice-president of Lions International.

Dr. Campbell, well known to local Lions and a resident of Miami Beach, was recently elected to the office of the International Convention in Nice, France. This is the first time a man from Florida has held an office of this stature in the organization, and assures his election as president in four years.

A delegation of some thirty Lions and their wives from Belle Glade attended the banquet which was sponsored by the Pahokee Club.

### Duties, Policies Outlined For Year At Council Meeting

A study on organization was held by the Palm Beach Council Council P. T. A., at Palmetto School on Aug. 28th. Dr. N. S. Perkins and Mr. Herb Wilson spoke at the proposed meeting. The study was held in a rooming house on an oral vaccine, tentative date being Sept. 30. Mr. Howell Watkins, Carl W. Blum, Jr., and said that his office was operating 100 percent in the proposed inoculations.

Mr. Carl W. Blum, Jr., Treasurer Dept., asked for cooperation in getting a savings stamp program into the schools. He said it was better to buy a freedom bond today, than a war bond tomorrow.

After a Civil Defense film and talk were presented by Major Fullerton, the meeting was divided into various groups, so that the officers and chairman attending could learn their duties, and the policies of the P. T. A.

### "Let's Take A Lesson From Pinellas"

Getting Rid Of Mosquitoes Here Is Everybody's Job"

City Manager Owens points out that citizens of Belle Glade could take a lesson from folks in Pinellas County.

"No sleeping sickness cases have been reported in the Glades and we all fervently hope there will be none, but the disease is transmitted by mosquitoes and we have a serious problem in the Glades," Owens reminded. "The control of mosquitoes cannot be left up to the government. It is everybody's job."

In Pinellas County this year's control program resulted in the spraying of over 700,000 gallons of DDT — more than any other county — before the sleeping sickness cases were reported. Now Civic groups there are

### Cast YOUR Vote

Belle Glade's City Election, set for September 11, marks the first time in three years that no incumbent commission candidate has been given any opposition.

Mayor Hasey Parrish is serving his second term on the commission. Paul Davidson, is in the middle of his third term, and F. C. Markham is in his second term. Registration books closed Aug. 31.

Voters are urged to exercise their voting privilege by being at the polls Tuesday, September 11.

### City Outgrows Early Planning

City Planning must receive more emphasis to help Belle Glade grow in the way we want it to grow, says the City Manager Royce Owens. Our public works program requires that every street not only carry traffic, but that where curbs and gutters are installed, storm water be directed to an adequate system of canals and drainage pipes.

We have just received a "storm water drainage plan for the city. It has not been officially accepted but is under study by the City Commission," he said. "Nonetheless, the public works department has already been helped."

Mr. Owens cited the Avenue D and Second street road repair program as a case in point. The storm water will be diverted into pipes which will dispose of the excess water. At (Continued On Page 8)

### Traffic Problems Head Urgency List

Belle Glade City officials, including Mayor Hasey Parrish, City Engineer K. C. Mock, West Palm Beach Port Manager Joel Wilcox and members of the city commission met today to discuss with State Road Department head John Monahan the urgent need for improvement and additional roads in the area.

This morning at the city hall the group will meet at 9:30 with sugar cane growers and mill officials for further discussion of the severe traffic problems confronting our area.

A Glades delegation spent two days in Tallahassee last week where they effectively made their plea to the Governor, his cabinet and other high ranking state officials.

### Second La. Barge Unloads Materials At B. G. Marina

The tug, Longhorn, with Captain Elentierus and two barges 190' long arrived in Belle Glade, Monday at 9 p. m. There came to the City of Belle Glade a barge from the engineering company from Jacksonville, La., they were loaded with 1050 tons of material for the South Bay in Clewiston, Pahokee, South Bay and Belle Glade.

This is the second shipping barge from this company and the first since the late 1940's. This is not only a help at reduced rates for our sugar companies, but also leaves quite a few dollars in the Glades in the form of supplies, the Chamber of Commerce reported.

senders members from door to door asking people to clean up their yards and around their houses — all those areas where mosquitoes might breed.

"The Chamber of Commerce and the City have been working together on a city clean-up program. Pinellas County's experience should be taken seriously by all citizens and each household should start NOW to clean up his own back yard of all old tires, water cans, old vessels and areas which can trap water where mosquitoes can breed," Owens said.

Health officials say the disease cannot be transmitted from human to human. The only way it can be transmitted is by a mosquito to bite an infected

### Increase In All Schools

With students still coming in Wednesday, enter Glades schools following Tuesday's official registration day, accurate enrollment totals were not readily available from all schools.

The initial day's report indicated well over a 22 percent increase for Belle Glade High School with an enrollment of 793 for grades 7 thru 12, an up of 145 students over last year's figure.

"We definitely have a large number of overloaded individual class rooms right now," Mr. Morris said on Wednesday. The new Junior High building is being shared by the Elementary and Junior-Senior High. Design is only as a Junior High building, remodeling was necessary to relieve crowded conditions in the other two schools.

### Legion Barbecue Was A Sell-Out

Despite the rain and the street in front of the Post home being torn up, the Annual American Legion Labor Day Barbecue was a sell-out.

"Everglades Post 20 wishes to thank all those who came and enjoyed the delicious chicken and ribs with trimmings and express thanks also to those who came after everything was sold out," adjutant Hearn said.

The response was very gratifying and we hope to see each and everyone next year and will try to disappoint no one."

A full-house crowd enjoyed the dance that went which was part of the annual day's activities.

### H. Rabin Appointed To Hospital Board

The Governor's office in Tallahassee has released an announcement that Mr. Harold Rabin, president of the Board of Directors of the County Hospital Board, Mr. Rabin is a former member and chairman of the board, having served since 1957. He is a past mayor of the City of Belle Glade.

Mr. Rabin's appointment fills an expired term left vacant since August of 1961. Mr. Rabin has served during this interim period until the appointment was made last week.

### VFW Post 8181 Plans Birthday Celebration

On Sept. 26, 1946, 37 men met at the Belle Glade hall, and formed Belle Glade Post 8181 Veterans of Foreign Wars, all signing up as charter members.

Since then, a few have died, several have moved away, and there may be many more to follow. Work, or a variety of other reasons, refrained from keeping up their dues and attending post functions.

District Commander George Samra of the Third VFW District, is cooperating with newly elected Post Commander Henry A. Vaughn, Jr., to turn the annual meeting last Thursday night into a gala affair and is planning a district visitation to the post Sept. 26, he has revealed.

Vaughn, in turn, is trying to (Continued On Page 8)

### Enrollment by rooms showed

Grade 7 — 174; grade 8 — 119; grade 9 — 156; grade 10 — 133; grade 11 — 104; grade 12 — 77.

Ten new teachers joined Belle Glade High's staff this year and the faculty was completed this week with the addition of Mrs. Peggy Smith, Junior High School Social Studies teacher, and Mrs. Celia Fundora, Spanish teacher.

Journalism has been added to the High School curriculum this year with a class of 13 students taught by Mrs. Eunice LaFam. The Shortland class, Mr. Morris reported, may have to be dropped as there are only six students registered so far and not enough to justify a class this year.

Teachers worked real hard during the pre-school period and were well organized in getting off to a good start the first day, was the general report.

Following is a breakdown of Tuesday's enrollment as against last years figure:

| School                                    | This Year | Last Year     |

### Lake Water Level Above Minimum For Navigation Interests

Reference is made to Notice to Navigation Interests dated in Oct. 31, 1961 concerning the low water level of Lake Okeechobee.

The water level of the lake, according to Col. J. V. Sollohub, corps of Engineers, is now above the minimum lake elevation of 12.54 ft. from which the Lake Okeechobee section of the Okeechobee Waterway is based. Accordingly, the project depth of 9 feet is available in the Lake Okeechobee section.

### Court Accepts Reapportionment Plan People Will Vote Issue In November

In a surprise decision Wednesday, a three man Federal Court in Miami accepted the 46 Senate District plan proposed by the court sitting in other states, indicated a trend of thinking that at least one body of the legislature should be elected on population. In this plan the House majority will be elected by only 27 percent of the people and in the Senate 13.4 percent of the voters.

Reached by the Herald for comment, Representative Emmett S. Roberts said, "I am most surprised and somewhat shocked by the decision of the court. I felt sure that the court would not accept the 46 Senator apportionment in light of decisions in other states. The people will be called upon again to reject this discriminatory proposal."

### Civic Center To Have New Drapes

Belle Glade Rotarians are heading a drive to furnish drapes for Belle Glade Civic Center.

The Lions Club has pledged \$100.00 toward the project. Belle Glade Garden Club \$50.00 and the Rebekahs \$25.00. Other civic or community clubs who enjoy the use of the Civic Center facilities are asked to join in aiding this project.

### Applicants Invited For City Positions

The Civil Service Board of the City of Belle Glade is advertising this week for employees in four departments.

Needed are a Patrolman, Fireman, Repairman, Clerk and Street Cleaner.

Examinations will be held September 18. Applications may be obtained at the City Clerk's office.

## Rams Play First Game Here Sept. 14th

### Local Favorite, Bill Burke Returns As Ram Head Coach

Football season gets underway here next Friday night when the Golden Rams meet the Cardinal Gibbons of Ft. Lauderdale on Belle Glade's home field.

"We're expecting a lot from our boys," Coach Bill Burke said, "and counting heavily on our returning seniors, Hub Spooner, Tommy Conner, Frank Kruse and Didi Mills, for a fine performance at the opening game."

During the past weeks the boys have been getting in some good hard practice in game-type scrimmages and will begin tapering off next week. John Causey has been running back back position for Frank Kruse who suffered a knee injury last week. The boys are hoping Frank will be in shape for the first game, "Causey shows excellent promise," the coach commented.

Frank Pritchard who came from Louisiana last year to join the Rams is reported showing the most progress of any lineman on the team. Eddie Buckner is eyed as one of the team's strong players, running real well as quarter back and half back and will be used as a double-duty man this year.

Last Friday night the Rams attended a professional game in Miami, Houston Oilers against the Dallas Texans. Expenses for the trip were met by donations from Connell Golf Society, Hub Spooner, Richmond Plumbing, Florida National Bank, Sam Senior Farms, Scarborough's, Rabble, Pioneer Motors and Belle Glade Motors.

"This was not a public solicitation," Coach Burke said, "so we don't want anyone feeling slighted who wasn't contacted, and we do sincerely appreciate and thank those who made the trip possible."

### Registration Plans

Thursday, September 13, has been announced as the date for registering for evening classes to be offered by the Adult and Vocational Education Department of Palm Beach County.

### Band At Teen Town

All persons wishing to enroll in any of the classes offered by the department are asked to report to Belle Glade High School at 7:30 p. m. on that date.

This registration will include those persons interested in the Adult High School Program, Art Spanish (Conversational), English for New Americans, Bookkeeping, Typing, Shortland, and Sewing. Other classes may be available if there is sufficient interest in them.

### Sat. Nite 8 To 12

A Florida Bandstand Band will be featured on Saturday Night Sept. 8 at the Community Center. A large turnout is expected for this event and all parents, who have teenagers attending are asked to volunteer as chaperones by calling Mrs. A. B. DeGraw, at your help is needed. Last dance night 85 turned out.

There will also be an election of six members of Teen Town for a Board of Directors to be held about 10 p. m. on Saturday. Girls have been thinking who you would like to represent you on this board? Everyone should be on hand for the Teen Town is yours and the City of Belle Glade.

Teen Town will continue to be held on the 2nd and 4th Saturdays of each month. Teenagers should turn out and make this a big night on Saturday, which will be from 8 to 12 p. m. Admission is 25 cents and school dress for the event.

### Hospital Auxiliary Members Ready For Fall Season

The Women's Auxiliary of Belle Glade Memorial Hospital will hold its first meeting of the fall season at 3 p. m. Tuesday, Sept. 11 in the nurses lounge of the hospital.

A 2 p. m. work session will be conducted, when active members or good citizens shall take part. The President Mrs. David Baile reminds all active members of the organization that now is the time to get busy.

"Vital issues to improve the welfare of the hospital and community are very much in need of maintenance improving conditions. Recent absentees will be welcomed back as it is hoped that other women who have one or two hours each month to spare can join the organization and prove to themselves and their friends in the community their civic pride. Since your hospital needs you, members please contact friends and bring one or more new members."

It is important that a new complete list of all active members be made now so that their efforts are directed to improving conditions so that the local hospital... YOUR HOSPITAL can be maintained at a high level.

### Workers Needed S. O. S. (Sabin Oral Sunday)

Belle Glade Junior Chamber of Commerce again this week makes call for volunteers to assist in the Sabin Oral Sunday vaccine program, beginning here September 30th.

"While the response has been gratifying, still more workers are needed to man stations from about 5:00 o'clock on each of the three Sundays, Sept. 30, Oct. 28, and Nov. 25's coordinator George Riddle said.

Volunteers are urged to call coordinators Dr. W. Wallis or George Powers, W-2050 or George Riddle, W-65148 if they can serve either of the three Sundays.

Pharmacist Doug Wooten who is helping with the program urges everybody to take the Sabin Vaccine from children six weeks old and up. The oral vaccine should be taken even if Salk vaccine has been previously administered and were no harmful effects at all. Mr. Wooten assures.

The Sabin vaccine has been given to more than 100 million people throughout the world with satisfactory results reported. Millions of doses have been (Continued On Page 4)

**SALMON, IDAHO, RECORDER-HERALD:** "While there are undoubtedly cases of hardship where elderly citizens have trouble meeting medical expenses, we can't agree that the solution to the problem is under social security. . . . Social Security was designed as retirement insurance and for that purpose it is excellent. If, however, all types of services are to be added to it, there is no end to how costly it could become. Besides, the relationship between patient and doctor is a personal matter and we, for one, would hate to see this change. With the rules and red tape that would accompany medical aid under social security this undoubtedly would restrict this relationship."

**ST. CLAIR, MO, CHRONICLE:** "Much of the tax money is used in one form or another for 'relief,' or 'dole.' It comes free, and like anything else free, wins votes. By luxuries, power, indulgence made the once-thriving Roman people soft. To stay popular, their emperors gave them more and more of the ease they craved — free bread, free circuses, easier living. So the Romans softened themselves up for the ambitious barbarians and in 410 A. D. the greatest nation in the world was invaded and destroyed."

## Tri-Cities Junior Leaguers Win One Lose Two Fla. Major Tournament

The Tri-Cities All Stars played three games, winning one and losing two at the Florida Junior Major League Baseball Tournament in St. Petersburg.

Representing the communities of Pahokee, Belle Glade, and South Bay in Florida Major League competition the boys ran into a tough hurdle the first night at Panama City where they had a 10-9 setback on a one hitter by Gene Hill. Tommy McHenry broke up the no-hit effort by Hill in the sixth inning with a ground single.

## "Thank You" From Tri-City Leaguers

Officers and members of Belle Glade's Junior Leaguers voted to extend a public "thank you" to the business firms and individuals who contributed for Belle Glade's Tri-City Baseball boys to attend State Tournament.

About \$250.00 was raised locally to pay their expenses in St. Petersburg.

Those giving money were Dixiana Grill, MacMillan Oil Co., Belle Glade Herald, Dr. James P. Baker, Bill Robinson, Thornburg Tractor Co., Wallis Pharmacy, Lake Shore Appliances, Pioneer Motor Sales, Army Surplus Store, W. T. Grant Co., V. Dravsky, Maria Folden, Sears Catalog Store, Florida National Bank, Home Hardware, Curtis L. Slade (Buckhorn Farm), Sue's Specialty Shop, Sullivan's Pharmacy, Glades Chevrolet, F. L. Harris Service Station, Bob Davis Buick, Everglades Motor Co., Pioneer Growers, Western Auto, Belle Glade Jewelry, Royals, Inc. Mr. and Mrs. James B. Bryan, George Parker, Kahn's, LeBron Williams, William Pierce.

"Every one of you who contributed help in money or efforts would have been particularly proud of our boys' conduct during the entire trip and of their sportsmanship in the tournament," the group treasurer Mrs. Jennie Bryan said. "They were a particular credit to all three communities."

## Back To School Biking

"Thousands of young bike pilots who soon will be pedaling their way back to school should be aware of all bicycle safety precautions, according to William P. Fournier, State Safety Crusade Representative.

"Smart pilots steer clear of accidents by always obeying the rules of the road and by keeping their bikes in top shape," he said.

The safe, well-equipped bike should have a horn or bell, a headlight visible 500 feet ahead, a tail light or reflector and reflective tape visible 300 feet behind, a rear view mirror, a kick stand, a carrier and a chain guard.

"The careful bike pilot should remember to wheel home on time and not loiter after school into the dangerous dark hours which come earlier during the fall months," he stated.

Powers noted that the free Allstate Safety Crusade leaflet "Hi! Bike Pilots" is available to bike riders. It contains the following common sense safety tips which should always be heeded:

1. Avoid streets whenever you can and keep your bicycle under control, staying on the right side of the street, close to the curb.
  2. Travel in single file when riding with others, a full bike's length behind, and steer with both hands on the grips except when signaling, stopping or leaving the curb.
  3. Do not carry another passenger or any big bundles on your bike.
  4. Come to a dead stop at all stop signs and always stop, look and listen before entering a street from a side walk, driveway or alley.
  5. Use your own power (hitching onto moving vehicles is against the law) and do your riding in the daytime.
  6. Be ready to put on the brakes at intersections and always let people on foot and other vehicles go first when they're about to cross in front of you.
  7. Obey the same laws as motorists.
- "Any youngster who applies these good safety rules will be well prepared for the back to school bike rush. And he will increase his chances of going to and from school without being involved in an accident," Powers said.
- Copies of the Allstate Safety Crusade leaflet "Hi! Bike Pilots" may be obtained free of charge from Allstate Insurance Company, Post Office Box 11296, St. Petersburg, Florida.

MR. AND MRS. CURTIS SANDERS

Wed by candlelight at First Baptist Church, South Bay, Tuesday, August 28 at 8 p. m. were Miss Esther Bernice Leathlean, South Bay daughter of Mr. and Mrs. Edwin Leathlean, Bole Ave., South Bay, and Curtis Mabey Sanders, son of Mr. and Mrs. J. B. Sanders of Cross City, Fla.

The Rev. James Fenton, pastor, performed the double-ring ceremony in a setting of palms, candelabras and baskets of white carnations. Mrs. Robert Roadman was organist and Mrs. Annie Allen of Belle Glade was soloist.

The bride given in marriage by her father wore a white satin gown fashioned with a chapel train and a lace jacket. Her fingertip veil of nylon net was attached to a headpiece of satin and matching lace of the gown. She carried a Bible with a deep lavender orchid on it with white satin streamers. Her only jewelry was a necklace of tiny white pearls.

Miss Linda Leathlean, sister of the bride was maid of honor and bridesmaids were Miss Rita Leathlean, sister of the bride and Miss Gail Martin. They wore identical gowns of baby pink with dotted swiss organza jackets, scalloped at the neckline and fastened with little pearl buttons down the front. Their headpieces were of white gardenias and pink nylon net and their flowers were white carnations with pink nylon net and pink satin streamers.

Isla Leathlean, sister of the bride was flower girl in a pink frock with gardenia headpiece and carried a basket of rose petals. Floyd Galus was ringbearer.

John Adams of Pahokee was Mr. Sanders' best man. Ushers were Dan Willis, Ray Sullivan, Riley Foster and Albert Oyster. For her daughter's wedding, Mrs. Leathlean wore a light beige dress with matching beige hat and her corsage was of white carnations.

The Leathlean home was the scene of the reception with Miss Arlyce Bedsole and Mrs. Harold Bentz of Belle Glade, Miss Gail Martin and Mrs. Ethyl Martin assisting. The two-tiered bride cake decorated with white roses and wedding bells and topped with a miniature bride and groom graced the table covered with a lace cloth and a centerpiece of white and pale pink hibiscus flanked with candelabras.

Out of town guests included Mrs. Adah B. Leathlean of Ft. Myers, Mrs. Mae Bloodworth and Mrs. Roy Ranckey of Waukegan, Ill., and Mrs. Joel Sanders and daughter, Tammy and Johnny Sanders, brother of the groom all of Cross City.

The couple left on a honeymoon trip to visit relatives in North Florida and now are residing at South Bay.

Mrs. Sanders graduated from Belle Glade High School and was a member of the Glee Club and the D. C. T. Club in her senior year. Mr. Sanders attended Cross City High School and will enter the service in several weeks.

## Joyce Challancin, Kenneth C. Hale Wed In Double Ring Ceremony Saturday

Photo By Arevill

In an impressive ceremony at First Baptist Church, South Bay on Saturday evening at 8 o'clock Miss Joyce Marie Challancin and Kenneth Cloyd Hale were united in marriage with the Rev. James Fenton reading the wedding vows.

Miss Challancin is the daughter of Mr. and Mrs. Louis Challancin, South Bay; his parents are Mr. and Mrs. Selven C. Hale of Smithville, West Virginia.

The church was beautifully decorated with three lighted tapers in each window, and baskets of flowers including pink hibiscus, gladioli, carnations and chrysanthemums.

Miss Karen Vadasz, organist, played traditional wedding music and accompanied Mrs. Annie Allen, soloist, who sang "The Lord's Prayer" and "I Love You Truly." Given in marriage by her father, the bride wore a full length gown of silk peau de soie and hand run Alencon lace formed the scalloped neckline with seed pearls and the long sleeves. Soft cross pleats in front controlled the modified bell skirt which ended in a chapel train. Her headpiece of white forget-me-nots and lily of the valley held in place the elbow length veil. She carried a bride's bouquet of white tuberoses centered with a white orchid and carnations.

Miss Donna Clark of Tampa was her cousin's maid of honor. Bridesmaids were Miss Maxine Throop, Belle Glade and Miss Vicki Challancin, cousin of the bride. The attendants all wore full skirted gowns of lavender silk organza over taffeta with bell shaped sleeves, and matching velvet ribbon bows on each shoulder. Their flowers were nosegays of white carnations with lavender and white decoration with touches of ivy.

Little Penny Waters, daughter of Mr. and Mrs. Clayton S. Waters was flower girl in a frock the same as the attendants and carried a basket of rose petals. Ringbearers were John and Jim Challancin of Stuart, twin cousins of the bride.

Eugene Challancin, brother of the groom, was best man and ushers were Billy Miller, Pahokee, Johnny Clark, Tampa and Ray Sullivan, Jr.

The bride's mother, Mrs. Challancin wore a blue lace dress over taffeta with matching jacket and blue and black accessories. Mrs. Hale, mother of the groom was attired in a blue jersey print dress with white accessories. Both wore white orchid corsages.

The newly weds greeted guests at the home of the bride's uncle and aunt, Mr. and Mrs. Mark Challancin, South Bay. The bride's table laid with an aqua lace cloth over pink, held

Second Annual Labor Day Observance Held

Representatives to the Second Annual Labor Day Observance, sponsored by the Diocese of Miami were: Jack Hunt and Mr. and Mrs. Charles Modecki of Pahokee, Mr. and Mrs. Charles Quintin Duxbury and Mr. and Mrs. Thomas McGillicuddy of Belle Glade last Thursday on August 30, 1962, at the Everglades Hotel in Miami.

The Solemn Pontifical Mass of Thanksgiving was held at the Gesù Church in Miami.

The Labor Day Observance Banquet was given at the Hotel Ballroom which overflowed to the hall. Address to the banquet was "American Labor and the Future" by Mr. and Mrs. Frank G. Agency for International Development, U. S. Department of State, Washington, D. C.

The speaker for the evening was James J. Reynolds, Assistant to the Secretary of Labor, Washington, D. C.

One question which is troubling many leaders in labor and industry today is "Is free collective bargaining compatible with government participation?"

Two urgent problems which must be considered by all are: how to promote economic growth and progress on a national rate sufficient to offset loss of jobs by automation; how to bring prices, wages and profits into proper balance; how to insure full employment.

The last problem would include the problem of foreign competition in manufactured goods without resorting to restrictive tariffs and the prevention of numerous costly strikes and lockouts.

Churches of Christ Scientist

The indestructible relationship of God and man will be emphasized at Christian Science church services Sunday.

Scriptural selections in the Lesson-Sermon on "Man" include the following verse (Psalm 18): "It is God that girdeth me with strength, and maketh my way perfect."

A citation to be read from "Science and Health with Key to the Scriptures" by Mark B. Eddy states (p. 470) "The relations of God and man, divine Principle and idea, are indestructible in Science; and Science knows no lapse from return to harmony, but holds the divine order or spiritual law in which God and all that He creates are perfect and eternal, to have remained unchanged in its eternal history."

Remember that it is only this present, a moment of time, that man lives.

—Marcus Aurelius

Thought For The Day

## Kay Cross, Thomas Mann Say Vows

On Sunday afternoon at 4 o'clock, the first Baptist Church, Belle Glade was the setting for the marriage of Miss Kay Cross daughter of Mr. and Mrs. E. J. Cross, 1433 N. W. Ave. F. Place, Belle Glade, to a 3 1/2 Thomas Wayne Mann of Eglin AFB, Fla.

Airman Mann is the son of Mr. and Mrs. Arthur Mann, 1328 N. W. 12th St., Belle Glade.

Palms accented by candelabra enhanced the altar and basket arrangements of large white roses, white stock and pom-poms, where Rev. Luther A. Key performed the double-ring ceremony. Brown Setterland was soloist with Mrs. Brown Setterland at the organ.

Given in marriage by her father, the bride was radiant in a floor length gown of silk imported organza over bridal satin, designed with bodice of Chantilly lace accented with scallops at the bateau neckline.

The long white sleeves came to a point at the wrists. The bouffant skirt extended into a chapel train. Her shoulder length veil of silk tulle fell from a crown of roses and pearls.

She carried a Bible covered with white lace centered with a large white orchid and showered with white stock flowers and satin streamers.

Mrs. Donald Tanner, sister-in-law of the bride was matron of honor in a steeple length dress of orchid silk imported organza over matching taffeta, fashioned with sleeveless bodice, scalloped bateau neckline with French piping and elbow length matching mitts. The bouffant skirt featured a cluster of organza rosettes in the back. Complimenting her dress was a headpiece of silk organza with rosettes and short veil. Her bouquet was of crescent shaped lavender Vanda orchids and lavender stock flowers.

Miss Pat Anderson and Miss Jackie Croft were bridesmaids. Both wore gowns and headpieces identical to the matron of honor in mauve organza. They carried crescent shaped

## Marsha W. Trotter Receives BS Degree At Troy College

Marsha Ann Walker Trotter received her BS Degree in graduation exercises August 24, at Troy State College, Alabama.

An impressive address on "Youth of Tomorrow" was given by incoming governor of the State of Alabama, George C. Wallis. Frank Stewart, Troy College President delivered the Welcoming Address at the morning exercises.

After completing Belle Glade High School, Marsha attended Palm Beach Junior College one year before entering Troy three years ago. Majoring in History and minoring in Biology, she plans to later enter the teaching profession.

Marsha's husband, Jerry E. Trotter, is employed at Cape Canaveral and the young couple are making their home near by at Conova Beach. Their 14 months old son, Jet, who has been making his home with his grandparents, the Berliners of South Bay, is now with his parents in their new home.

## Calling Shower Honors Bride-To-Be

The home of Mrs. Frank Wilson, South Bay was the scene of a bridal shower Tuesday, Aug. 28 from 3 to 5 p. m. honoring Miss Donna Mae Armstrong whose marriage to George Michael Challancin will take place tonight at 8 p. m.

The guest of honor, her mother, Mrs. Hortense Armstrong and the groom's mother, Mrs. Mark Challancin were in the receiving line. They were presented white carnation corsages by the hostesses.

White gladioli arrangements were used as decorating on the table and about the room. The many lovely gifts were displayed.

Hostesses Mrs. Wilson, Mrs. Jane Evans, Mrs. Mary Louise Dalrymple, Mrs. Eric Hartline, and Mrs. James Summerlin served punch and cake to approximately 30 guests calling during the afternoon.

## Same Faculty Back At Osceola School Cooperative Jr. Hr.

The teachers of Osceola School and the Cooperative Junior High have returned to school after a summer of work, travel, and varied activities.

Mr. Herman Close attended an advanced Guidance Institute at Florida State University where he is doing work on a graduate level. Mrs. Close joined him there the last two weeks. He concluded the summer with a fishing trip with Mr. and Mrs. J. R. Davidson to Ft. Myers Beach and a trip to Nassau.

Mrs. Ann Ouellette went with her family to visit relatives in Savannah, Ga., and Memphis, Tenn., and to Lynn, Mass. The senior Ouellettes had their 50th wedding anniversary celebration with relatives coming from as far away as Canada.

Miss Peggy Jo Hixon attended the Middle Tennessee State University at Murfreesboro, Tenn. She is detained in Smyrna, Tenn., due to the illness of her mother.

Mr. Dale Hilburn attended Arkansas U. and M. at Monticello, Arkansas this summer. He also visited with his family in Tiller, Ark.

Mr. Rudolph Jeffers and family visited at their former home in Muncie, Ind.

Mrs. Arthur Lynn visited relatives in North Carolina and attended the second term of summer school at Duke University at Durham, N. C.

Mrs. Bill McClatchey and her husband vacationed at Pittsburg, Pa., they went by way of Washington, D. C., and returned through the Smokies.

Mrs. Dorothy McDonald visited relatives in Orlando and Miami, Fla., during the summer. Her son Victor went on a camping trip, to the Ozarks with his uncle and aunt Mr. and Mrs. Joe Norfleet of Miami.

Mrs. Carl Campbell attended the University of Chattanooga, Tenn., during the summer. She was joined by her husband and sons, Larry and Don and they had a vacation in nearby Lafayette, Ga., their former home, while waiting for Mrs. Campbell to finish the summer session.

Mrs. James Threlkeld and children visited relatives in Cocoa and Titusville, Fla., while Mr. Threlkeld attended summer school at the University of Mississippi where he is working on his masters degree.

Mr. and Mrs. J. R. Nutt visited relatives in Center, Ala., and Jackson, Miss., during the month of July. They also made a trip through the Smokies. Their daughters, Cynthia and Johnnie went with them. Johnnie returned early to attend the International Girl Scout Roundup at Button Bay, Va.

Mrs. C. D. Seider spent the summer at home in Belle Glade. She made short trips to Cocoa Beach to visit her daughter and family and was visited in turn by them.

Mrs. Ted Irvin with her husband visited their daughters Dorothy and Margaret in Pittsburg. Margaret accompanied them on their travels to Chicago, the World's Fair in Seattle, San Francisco and San Diego where they visited Mrs. Irvin's mother and sister. Dorothy rejoined them in San Diego where she remained until September 5th at which time she plans to sail for Germany where she will study Comparative Agriculture this year at the University of Tubingen. Margaret returned to Belle Glade with the family and will stay until she returns to Duquesne University at Pittsburgh in September.

## Sorority Chapter Has Bowling Party

## THANK YOU

I wish to express my thanks for the kindnesses shown my sister, Francis Hall, and myself during my stay in Belle Glade Memorial Hospital. Your prayers, cards, flowers, visits and other remembrances were greatly appreciated. Especially do I offer my thanks to Dr. Brown, Dr. Tudella and the entire hospital staff who worked so willingly and were so kind to us. To those who gave blood I am most grateful. Your kindness will never be forgotten by any of us.

### Storm Warnings Bring Reminder To Prepare For Power Failures

Riding out a severe storm, such as a hurricane, in a powerless, storm-blackened home is no picnic. However, there are steps you can take now to prepare yourself to cope with some of the discomforts and inconveniences resulting from storm-born power failures.

Along with the annual reminder from the weather forecasters that the hurricane season is approaching, comes some timely advice from the Otis Bernz company, Inc., Rochester, N. Y. You and your family will be better prepared for whatever the storm brings if your home is equipped with the following:

1. Lantern
  2. Cookstove
  3. Heater
  4. Portable refrigerator
- The propane burner, a light instantly by merely turning a valve and striking a match. The instant flame and light is fully protected by a heat-proof therm-o-matic propane gas operated appliances:

### Cattle Market Sales \$61,962

At Monday's sale at Glades Livestock Market 52 percent went to slaughter and 38 percent to stocker. 22 percent of the run was cows, 52 percent to slaughter. The offering was a total of 530 head, 188 calves, 332 others selling for \$810.00.

According to the market the decline in cattle and calf prices seems to be general all over the state as well as the Western markets, coming a little late this year. A lot of stocker cattle are still needed in this area. Dates to look forward to are Oct. 26 Glades Feeder Calf Sale and Dec. 14, Floyd Moore Bull Sale.

### Lions And Guests Hear

(Continued From Page One) The lion, spoke on Lionism, pointing out to his audience the tremendous force for good that the Lions Clubs are doing the world over. "There are Lions Clubs in 118 countries of the world today," he said. "With the interchange of ideas and the teaching of Lions' objectives, peace is being made toward better understanding of the American Way of Life," he reported.

During the next four years Dr. Campbell and his wife will visit most of the countries of the world as an ambassador of good will.

The Belle Glade Club presented Dr. Campbell with a globe of the world to help him discover the various far-off places he will visit, plus a tax record to assist his keeping his financial records straight.

Lion James Vann of Pahokee was master of ceremonies for the evening with entertainment provided under the direction of Mrs. Florence Keen.

Lion Manning Keen, a candidate for district Governor, introduced the speaker and International Counselor Emmet S. Roberts presented Dr. Campbell with the gift from the Belle Glade Club.

severe winds. There's no filling or spilling of dangerous liquid, no chance of flashbacks or flare-ups. Also, the fact that there are no batteries to run down means you can store your Bernz-O-Matic propane gas in your home and it is always ready for instant use.

The cookstove and heater will also prove useful during emergency power failures when you can stretch into days in severely hot weather. The portable refrigerator is ideal for keeping baby's formula safely cooled as well as protecting meat and other perishables during extended electrical blackouts.

### Swim Pool Closed For Repairs; New Schedule Sept. 15

Belle Glade Municipal pool will be closed from September 10, thru the 14, for making repairs for the fall season, manager Ferinden announced Wednesday.

Reopening the 15th, the pool will operate from 3 to 6 every afternoon Monday thru Friday, 10, thru the 14, for making repairs for the fall season, manager Ferinden announced Wednesday.

Evenings swimmers may enjoy the pool from 7 to 9 on Wednesdays.

This fall schedule is subject to public demand and if it is evidenced not enough folks are interested in swimming the school will be closed, the coach said.

### 20,000 New Jobs From Increased Florida Industry

TALLAHASSEE, (FNS). Florida obtained 692 new industrial plants and major expansions during 1961, the Florida Development Commission has reported. The plants are expected to provide more than 20,000 new jobs when they are in full operation.

The three major expansions included the addition of 1,200 employees to the work force of Pratt and Whitney Aircraft in Palm Beach County, an increase of 650 workers at Rawls Bros. Contractors, Inc., of Jacksonville, and the addition of 550 employees at the Minneapolis Honeywell electronics plant in Clearwater.

A big increase in Florida's sugar production was reflected in announcement of new sugar processing plants. The new mills included the Glades Sugar House of Belle Glade, the Glades County Sugar Growers' Mill at Moore Haven, and the Tallahassee Sugar Corp. at Belle Glade.
